

PurpleHull Pea Festival Pageant Information Page

We want this to be fun for everyone. We hope that the following will help clarify the denim part of this year's contest:

For the younger ages our goal is for casual, playful outfits. Denim (jean material) can be used in whatever fashion you wish. This can be jean skirts, shorts, jackets, dresses or overalls, or any combination. There is no right or wrong use of denim, no minimum or maximum of denim to be used, and no color requirement. Choose a comfortable outfit that represents your child's personality and let them shine!

For the Miss and Teen Miss competitions, there will be a sportswear division. They will wear denim for their sportswear outfit. Again this outfit should be a representation of the girl's personalities. They will walk in their denim outfits first and then change for the eveningwear division. The eveningwear division will be standard pageant dresses. There will be a question on stage but there will not be an individual interview section. So the scores for Miss and Teen Miss pageants will be comprised 40% Denim Wear, 40% Evening Wear, 20% On Stage Interview.
